<b>Explanations:</b>								
% of Charges - you will be asked to pay the indicated percentage of the provider's normal billed charges.								
% of Medicare - your bill will be calculated using the Medicare fee schedule. The Medicare fee schedule (100% of Medicare) is typically 25% to 40% lower than usual and customary charges.								
80% of Medicare means the provider will ask you to pay 80% of the applicable Medicare fee.								
* Limited to routine dental services only.								
^ Podiatry unna boots, rigid total contact casts and x-rays taken in the podiatrist's office are not included.								
# Save up to 50% or more on prescriptions at one of the pharmacies listed above. To qualify for these savings you must be a patient of a doctor having a # in the You Pay column. Prescriptions written by specialists to whom these doctors refer are also eligible for savings.								
+ Use your GCDMP Rx Discount Card and save 38% on average at CVS, Walgreens and many other pharmacies. Visit <a href="http://www.gcdmprx.com">www.gcdmprx.com</a> for lab and pharmacy locations and pricing.
